

RIALTA INFORMATION – COURSE 2026-2027

■ Location and description

Rialta University Residence is the leading accommodation option for students in the city of A Coruña. It's situated in the residential district known as "A Zapateira" and it's located just 500 meters from the University Campus. Due to its strategic location, the Residence has excellent communications, to only ten minutes from the city center and the airport of A Coruña, and close to beautiful and historical cities as Santiago de Compostela, capital of Galicia.

The Residence is made up of seven buildings, in six of them are located the fully fitted exterior rooms (180 double rooms and 172 single rooms), as well as the study rooms, the drawing rooms and a television lounge.

The Reception, the self-service dining room, the coffee shop, a multipurpose hall, the indoor pool and the fitness room are all located in the main building.

Modern facilities and a wide range of services guarantee you'll have everything you need for maximum personal and intellectual growth and development.
